Time	Topic	Topic Details	Responsible	Discussion / Actions	Goal for completion
7:35	Call to Order		Jennifer	Special Meeting with only one topic in PD's absence (Vacation).	
	Repair or Replace Main Kitchen Refrigerator	Bethel has received a quote		<p>The main refrigerator in the Fellowship Hall is not working properly. Winchester Restaurant Equipment sold the unit to Bethel 20 years ago, and it appears that it has never been serviced. They have provided a quote that includes repair options and three replacement alternatives. The quote can be found in the April 2026 Council Meeting folder.</p> <p>After reviewing alternatives, the council decided that repair was not the best option due to timing and expense (full repair would be very close to the cost of a new base model unit) and the need to have a working refrigerator for Easter and for the Fellowship Hall rentals.</p> <p>The council then reviewed the three new refrigerator options quoted and voted unanimously to replace the current unit with the same model for \$6,140.00 using money from the Memorial Fund.</p>
